- 25 Financial Features
- 119 New Charts & KPIs
- 20 New SQL Reporting Series Reports & 11 New Excel Reports
- 20 HR & Payroll Features
- 20 Business Intelligence Features

Interested in learning more? Join us at Convergence, and experience what's new yourself. To sign up, contact [Melissa](#) or [Karine](#).

Microsoft Volume Licensing On-Line Service Center

Microsoft has launched the Volume Licensing Service Center (VLSC). This on-line tool makes it easy for you to manage your Microsoft Volume Licensing agreements, download licensed products, and access your software keys and any other Software Assurance benefits - all from a single location.

A Windows Live ID and valid business e-mail address are required for you to register. The business e-mail provided must be the same as the one provided when the agreement was signed. For more information or to get started managing your

To celebrate our anniversary, this year's newsletters will feature trivia about 1990, the year Encore began business.

Q: What movie won the 1990 Academy Award for Best Picture?

The first person to [email us](#) will receive a \$10 Chapter's Card.

Congratulations to Troy Gullacher from Schulte Industries who was the first to correctly answer the last Newsletter Trivia Question.

Q: What Canadian Tax came into effect in 1990?

A: GST

For questions regarding the

agreements please see the [VLSC existing customer page](#).

HST Effective July 1st, 2010

The provinces of Ontario and British Columbia will be officially transitioning to Harmonized Sales Tax, effective July 1st, 2010. To better understand this transition, Canada Revenue Agency is offering Information Seminars for your area. To register for:

- British Columbia click [here](#)
- Ontario click [here](#)

For further information visit the following official government websites.

- [British Columbia](#)
- [Ontario](#)

If you need assistance reviewing your tax set-ups or require modifications to reports please contact [Melissa](#) or [Karine](#) to schedule a consulting resource.

Are You PCI-DSS Compliant?

On July 1, 2010 all merchants are required to use PCI-DSS certified software for credit card transactions.

The Payment Card Industry Data Security Standard (PCI-DSS) ensures protection against credit card fraud through increased controls around data and its exposure to compromise. The standard applies to all companies who hold and process any credit card. Read more [here](#).

May is "Prepare for PCI Compliance" Month

Join us for our May eEducates to better understand PCI Compliance and what solutions offer the safeguards and security for credit card records.

Nodus' Credit Card Encryption and Credit Card Advantage: May 13th at 2:00 CT. Sign up [here](#).
