## 20<sup>th</sup> Anniversary Reception Entertainment - CRUMBS

CRUMBS is a Winnipeg based freestyle comedy duo that consists of two actors, Stephen Sim and Lee White. Fresh off a European tour, CRUMBS has been travelling the world since 1997, performing mostly sketch comedy (their specialty) and participating in various improvisational comedy competitions. Along with their audio accompaniment DJ Hunnicutt, this hilarious pair can be seen annually at the Winnipeg Fringe Festival, performing night after night to sold out crowds at the King's Head Pub.

Stephen and Lee also host a live radio show every Monday at 5pm CST on 101.5 UMFH, which is available on-line as well for those non-Manitobans.
