Encore Business Solutions Reinforces Its Commitment to Learning

WINNIPEG, MANITOBA, CANADA – September 29th, 2009 The Encore Business Solutions team has just returned home from The Partner Channel Event held in Fargo, ND Sept 20 – 22, 2009 reinforcing Encore’s commitment to learning. The Partner Event is an annual conference held for Microsoft Dynamics Partners to build leadership skills through networking and learning with industry experts and other partners, as well as gain key industry insights. With an entourage of ten attendees, Encore was recognized for having the largest number of delegates at the conference.

In addition to building the team’s leadership skills, individuals at Encore continue to expand their technical competencies. Ken Barr, Network Administrator, expanded his current infrastructure expertise by recently passing an exam to achieve the title of Microsoft Certified Business Management Solutions Specialist: Microsoft Dynamics® CRM 4.0 Installation and Deployment. Microsoft Dynamics CRM is customer relationship management software that allows users the ability to maximize their revenue through the tracking, maintaining and improving of customer relationships.

About Encore Business Solutions

Established in 1990, Encore Business Solutions Inc. is committed to helping organizations implement value-added technology and business management solutions such as Microsoft Dynamics GP, Microsoft Dynamics CRM and Microsoft Dynamics AX. As a Microsoft Gold Certified Partner, Encore is among the elite of Microsoft’s business partners, earning their highest endorsement.

Built on experience, reputation and genuine commitment to customers and business partners, Encore’s strength is in their ability to realize the client’s full potential through new business applications, automation, integration and ongoing system reviews.
