Encore Business Solutions Celebrates 14 Consecutive Years of Microsoft Dynamics® President's Club Status

WINNIPEG, MANITOBA, CANADA – July 28, 2009 Encore Business Solutions has been named to the 2009 Microsoft Dynamics President's Club for the 14th consecutive year. The Microsoft Dynamics President's Club award recognizes a small group of worldwide Microsoft Business Solutions partners for achieving a high level of sales and business performance while maintaining a constant dedication to customer satisfaction and innovation.

Encore is the longest standing Canadian member of the Microsoft Dynamics Presidents Club. By working closely with Microsoft, Encore maintains a comprehensive understanding of the Microsoft Dynamics platform ensuring that their customers receive leading-edge solutions, services and value. In 2009 thus far, Encore has received Microsoft Dynamics AX certification and Encore's own product, Advanced SmartList, has received Certified for Microsoft Dynamics GP accreditation, in addition to the President's Club award.

"Our team strives to achieve the President's Club status year after year," says Encore's COO Ken Chartrand. "To receive this award for 14 consecutive years has taken a lot of hard work and dedication from the entire Encore team. It is an honour to have our dedication and commitment to our customers recognized."

About Encore Business Solutions

Established in 1990, Encore Business Solutions Inc. is committed to helping organizations implement value-added technology and business management solutions such as Microsoft Dynamics. Encore has earned the Microsoft Gold Certified Partner status and has gained a reputation for achieving a high level of business performance, sales accomplishments, and customer loyalty through a number of recognition awards.

Built on experience, reputation and genuine commitment to customers and business partners, Encore's strength is in their ability to realize the client's full potential through new business applications, automation, integration and ongoing system reviews.
