Encore Business Solutions Earns Microsoft Business Solutions President's Club Recognition

WINNIPEG, MANITOBA, CANADA— JULY 24, 2006 **Encore Business Solutions** recently received recognition from Microsoft for outstanding customer commitment and sales achievement, and was named to the Microsoft® Business Solutions President's Club for 2006. This is the 11th year Encore has received this recognition. This award honours those partners whose commitments to customers reflect in their own business performance. This includes both a high level of sales achievement and customer service.

"We're all extremely proud to achieve President's Club status for the 11th consecutive year," states Ken Chartrand, COO at Encore. "The team at Encore is made up of individuals who are committed to providing exceptional service and we're honored to have Microsoft recognize all of our efforts.

"Microsoft congratulates **Encore Business Solutions** on achieving President's Club status," said Microsoft Corporate Vice President, Craig McCollum. "**Encore Business Solutions** truly understands how important customers are to Microsoft and has gone out of their way to make the customer's experience a positive one."

About Encore Business Solutions

Established in 1990, Encore Business Solutions Inc. is committed to helping organizations implement value-added technology and business management solutions such as Microsoft Dynamics™ GP. As a Microsoft® Gold Certified Partner, Encore is among the elite of Microsoft's business partners, earning their highest endorsement. In addition, Encore offers IT consulting and services to customers, as well as custom development to meet unique business processes.

Built on experience, reputation and genuine commitment to customers and business partners, Encore's strength is in their ability to realize the client's full potential through new business applications, automation, integration and ongoing system reviews. For more information about Encore's products and services, visit www.encorebusiness.com.
